WORK IN PROGRESS

The new Chabad House at CWRU will...

- ...have 7,000 SF more than our current home, with the ability to host 100 students comfortably.
- ...feature four finished floors: a student lounge, social hall, game room, synagogue, library and more, open 24 hrs.
- ...offer student rentals on the second and third floors as well as suites for parents and alumni.
- ...have a separate residence for the Alevsky family on the adjacent property as seen above.

The Vision Phase 2

The new Chabad House will...

...be just a few minutes walk from 75% of the student residence halls and Greek life.

...have almost 10,000 SF of space to amply provide a home for the Jewish students.

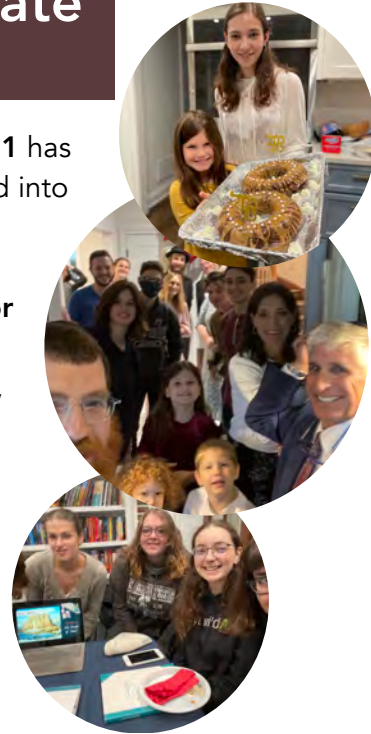

...feature four finished floors, a student lounge, social hall, game room, synagogue, library and more.

...have student rentals on the second floor as well as guest suites for parents and alumni on the third floor.

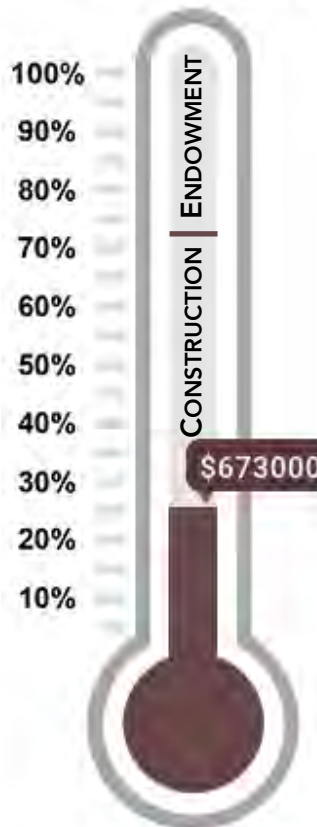

The Update ✓ Phase 1

Thanks to you, **Phase 1** has concluded! We moved into our new home across the street from the dorms, **just in time for the new school year.** Hundreds of students, countless meals and thousands of hours of Jewish life have been celebrated. **The larger space is a blessing, yet we're already hitting capacity!** The great potential in the Chabad House is obvious and we look forward, G-d willing, to breaking ground this year.

Campaign Goal \$2,875,000
